Data Analytics and Systems Engineering Student | NCAA Division II Track and Field Athlete

bstates0728@gmail.com

EDUCATION

University of Colorado Colorado Springs | Colorado Springs, CO 2026 to Present

- Major: Data Analytics and Systems Engineering
- Student-athlete, UCCS Mountain Lions Track and Field (NCAA Division II)

High School Diploma 2026

- GPA: 4.0 unweighted (all four years), 4.28 weighted, while balancing year-round sports and a part-time job

WORK EXPERIENCE

Window Repair Technician 1.5 years

- Completed about 75 repair jobs per week with one partner: full window repairs, seals and cracked glass
- Kept apartment complexes stocked with parts so their own staff could fix issues without a service call
- Diagnosed each problem methodically and explained the fix directly to the customer

HVAC Intern Summer

- Installed heat pumps and air conditioners, including running copper refrigerant lines to each system
- Repaired furnaces, coils and outdoor units; removed old systems and tested new ones

Sales Associate | Foot Locker 1 year

- Helped customers find the right products in a fast-paced retail store

Livestock Producer and Egg Business Lead | 4-H 6 years (3rd to 9th grade)

- Raised and sold 4 cattle, 4 pigs and 45 to 60 chickens, generating more than \$13,000 in profit
- Led a community egg business with my brother: marketing, phone orders, cleaning and delivery (\$400 in one year)
- Reserve Grand Champion, cattle (two years); Grand Champion and Reserve Grand Champion, pen of chickens

PROJECTS

Model Rocketry | 4-H 1 year

- Designed and built 3 rockets with my grandfather; tested each with 3 engines to match thrust to the design
- Adjusted designs between tests to improve durability and altitude; best flight reached about 900 feet

ATHLETICS AND LEADERSHIP

Track and Field | Team Captain (senior year) Kindergarten to Present

- Captained a team of about 200 athletes that placed top 5 in state; ran warm-ups and mentored younger athletes
- Organized and led optional practices for about 30 athletes with no coaches present
- Two-time State Champion; three-time First Team All-State; All-State Honorable Mention
- Personal records: 100m 10.68, 200m 21.51, long jump 23 ft 7 in, triple jump 48 ft

Football, Basketball and Baseball Kindergarten to 11th grade

- Football: varsity, 9th to 11th grade
- Basketball: varsity; All-Conference Honorable Mention and Second Team Defense (freshman year)
- Baseball: All-Star team, 4 consecutive years

ACTIVITIES

FFA | Food Science 1 year

- Top 50 of about 500 students at the state Food Science LDE: food testing, quality analysis, exam and team task

Wind Ensemble | Percussion 7 years

SKILLS

Leadership, Team Management, Time Management, Troubleshooting, Problem Solving, Testing and Iteration, Parts and Inventory Logistics, HVAC Installation, Customer Service, Sales, Small Business Operations
